Updated: spring 08

Supplies can be purchased at:

Brackers Good Earth Clays

1831 E 1450 Rd

Lawrence KS 66044

www.brackers.com

785-841-4750

Tues.-Fri. 9-5, Saturday 10-3

When purchasing let the salesperson know that you are a student at the Lawrence Arts Center in Ben Ahlver's 'adventures in color' class.

For this class I would like students to have at least 3 different 2 ounce, v-series amaco underglazes. Colors are open to each student. Avoid black and white. Students are welcome to purchase more, but it is not required.

V-series is a series of Amaco Underglazes. Most of these products come in 2oz. or pint containers. Each color has a given number.

(example: AMACO V 308 Yellow). **NOT ALL V-SERIES AMACO UNDERGLAZES COST THE SAME. PLEASE BE SURE TO LOOK AT THE PRICE LISTED IN THE STORE.**

Prices range from: \$1.99-5.99 for 2 ounce containers.

This class will use Terra-cotta clay. If students need to purchase more clay, please ask for this type of clay.
